PHOENIX Software International®

JES3^{plus}® ISV Product Support Certification Agreement

The ISV certifies that the information given on this form is correct and consents to publish the Organization's name, logo, listed products and other of the above-provided information on the Phoenix Software International website. ISV acknowledges that Phoenix Software International ("PSI") retains sole discretion as to whether any or all of such information will be posted on its website. ISV also agrees to indemnify, hold harmless and defend PSI from any or all losses, damages or expenses incurred or suffered by PSI rising from or related to ISV's information posted on the Phoenix Software International website.
